Dear Member,

RE: NOMINATION OF A MINOR AS NEXT OF KIN

Due to legal challenges involved in contracting with a minor, we wish to take this opportunity to emphasize on the importance of appointing a guardian whenever a minor is nominated as next of kin.

Consequently, the Board advises members who have nominated minors to ensure that they have appointed a **guardian** by filling and returning our newly designed nominee card that has the provision and return the card to the Sacco office by 31st March 2021.

Yours faithfully,

Zedekiah Ongoma

Hon. Secretary
