Dear Member,

RE: KENTOURS SACCO EDUCATION MAGAZINE- VOL 18

The Education Committee is in the process of preparing the 18th edition of Kentours Sacco Education Magazine.

We wish to send our special thanks to those who have been participating in sending articles and testimonials as well as giving us ideas.

We are requesting for your participation for the 18th and 2020 AGM edition. Let's all participate and make the magazine as educative and as interesting as possible. We are looking for articles, testimonials, quotable quotes, jokes, pictorials of your memorable moments like weddings, anniversaries, new born etc. Any other ideas are most welcome. Please send your contributions to gmoenga@kentours.co.ke before **Wednesday 5th February 2020**.

Kind regards,

Geoffrey Moenga
